

Kiddie Prep Families,

Thank you for your patience and understanding during this time. The KPS board met last night and today the State had a webinar for childcares providers to answer so many of our questions.

Here are the highlights on how we will better serve you:

- 1. For those who are able to keep your children home, we are encouraging you to do that. We will not charge you tuition during this time, but will hold your spot so you can return when COVID 19 passes. In addition, we will not charge holding fees.**
- 2. For those on CCDF Vouchers (formerly known as BrightPoint) or On My Way, we will be sending you a separate email giving you instructions on how to proceed during this time.**
- 3. We understand some of you have to work. For those who bring their children, we are now allowing people to go back and forth from full time to part time status. We will charge the daily rate for the days they attend. However, if they come 4 or 5 days, we will apply the full-time rate, which is more cost effective for you. The charges will appear in your account at the end of the week. Batch payments will be processed after 10:00 a.m. on Wednesday of the following week.**

We still hold to the two reasons that we would close. If a case of coronavirus is confirmed with a direct relation of a student or staff member, or if the government asks us to close. Right now, they want us to stay open for people who have to work. Again, we want to reassure you we are taking extra precautions to sanitize daily, wash hands, take temperatures, and send sick children home ASAP.

Here are two scriptures that I have found helpful.

**John 14:27** Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid.

**John 16:33** I have told you these things, so that in me you may have peace. In this world, you will have trouble. But take heart! I have overcome the world.

We know that some of you may be struggling with all kinds of issues. We want to reach out to you and let you know we are praying for our families. If we can be of assistance, please feel free to call us or stop by. We would love to talk and pray with you.
